## WHAT FUTURE EVENTS ARE DESCRIBED IN THE BIBLE?

Evangelicals who hold to various positions about future major events all agree that Scripture is inerrant, and they have a commitment to believe whatever is taught by Scripture. Their differences concern the interpretation of various passages relating to these events, but their differences on these matters should be seen as matters of secondary importance, not as differences over primary doctrinal matters.

Though not all theologians agree on the exact sequence of the following future biblical events, all do agree that they are important to the believer in understanding God's plan of the ages:

1. The Tribulation Period
2. The Rapture
3. The Second Coming of Jesus Christ
4. The Millennium
5. Future resurrections of believers and unbelievers
6. Future judgments of believers and unbelievers
7. The New Heaven and New Earth

## DISCUSSION QUESTION

If you somehow knew that Jesus would be returning in seven days, what would you do?
