INTRODUCTION

What Are Spiritual Gifts?

They are special abilities God gives to each believer for the purpose of building up the church body.

The “building up of the body” is referring to helping fellow believers in a way that enables them to mature spiritually, to become more Christ-like, and to remain united as a body of believers. It also includes leading others to Christ which adds to the body.

“When he ascended on high, he led captives in his train and gave gifts to men. It was he who gave some to be apostles, some to be prophets, some to be evangelists, and some to be pastors and teachers, to prepare God's people for works of service, so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ.” Ephesians 4:8-13

God designed the church so that every member of the body is interdependent on all other members, and all are under Christ who is the Head. Each member has a special God-given way to build up and strengthen other believers while at the same time is being strengthened by others.

In this way the whole church body becomes strong and healthy. This process is accomplished through the use of spiritual gifts that are empowered by the Holy Spirit. Spiritual gifts are special abilities given to every person, who has accepted Jesus Christ as their personal Savior, for the purpose of building up the church.
